TO TRIM JOHNSON

Billy Gibson, the New York Fight Promoter, Figures Moran Will De-

feat Champion. Special to The Washington Herald. New York, June 22.-"Billy" Gibson New York's leading promoter of boxing

clubs, picks Frank Moran, the Pittabugh white hope, to beat Jack Johnson when they meet in a twenty-round fight in Paris Saturday night, Gibson bases his opinion on Johnson's physical condi-tion. He has received private informa-tion from Paris that the negro has taken off a lot of weight but may not possess the strength and stamina that enabled him to whip Jeffries at Reno.
"There is no betting on the fight here." said Gibson today, "but I learn that Johnson is a 10 to 4 favorite in Paris.

If I could spare the time to cross the ocean I would have a big bet on Moran simply as a good gamble. I never be-lieved that in a heavy-weight fight odds of 2 to 1 or better should be allowed to "Over here we cannot learn the negro's

true condition except from hearway. If he is as fit as when he beat Jeffries. Moran will have a hard time of it. Bu' honestly. I think Moran will turn the trick, also the fight will be on the level "A victory over Johnson means a for-tune for Moran. He will become a won-derful drawing card all over the world. and he can earn a million before taking part in another battle. It was shrewd judgment to get this match with Johnson, for Moran has the chance of a life-time. If he beats the negro he'll be the 2 0 2 0 0 1 0 0 x-5 most popular champion since the days of 0 0 0 0 0 0 0 1 0 0-1 John L. Sullivan."

GIVES REASON FOR JUMPING.

Chicago, June 22.—From an inside source it was learned today that by jumping to the Buffalo Federals Hal Chase has just scaped being sent to St. Louis Browns. The Federal League official who gave out this information stated that a deal was pending whereby Shotten and a pitcher, same not given, were to have been sent to the White Sox in exchange for Chase. The fact that Hal got wind of this was ne reason for his making the stidden ump, and he stated emphatically before eigning with the Federals, that while he was willing to play in the Federal eague, there were two cities in the league with which he positively would not sign on account of climatic condi-

Nothing helps a ball team at home much as a great big, roaring crowd, and it is for one of these old-time gatherings on Wednesday that Manager Griffith and

The Griffmen appear to be safely over the present slump. Every member of the team is in good shape physically, the pitchers are going nicely, and the slogan turned into victories, yet the club is less team is in good shape physically, the than five games behind the league lead-ers, and any kind of a spurt will bring white en route to the depot tonight was. "Beat the Athletics and show ton fans we've got a real ball club."

The next move is to the Quaker City, to arrive in the Co where a twin sketch is booked for Friday and a single game scheduled on Satur-sylvania Railroad.

In other words, six games in four days appear on the menu, and if it be Wash-one of the Tigers' five hits today was for ingten's good luck to walk away with the majority of these contests, then the Vesch tripled, and Stanage doubled.
